

## ULC Listings to Canadian Safety Standards

Cooper MEDC Limited is pleased to announce the launch of Signals and Alarms / Notification products with Fire listings from Underwriters Laboratories of Canada (ULC).

The following units are available now with full Hazardous Locations Listings to the latest revisions of the Canadian standards including indoor and outdoor use:

**XB15 Strobe / Beacon** - Listing Ref: CE133 (CAN/ULC-S526)

**DB3 Horn / Sounder** - Listing Ref: CE134 (CAN/ULC-S525)

We will also have available shortly: **SM87 PB Push Button Call Point**

Target markets for installation in Canada include: Refineries, Chemical Plants, Cooper fire alarm and safety product dealers, alarm market distributors, Electrical distribution, Architects and engineers that specify for fire and safety systems.

Certification by Underwriters Laboratories of Canada is a major endorsement to our customers that they are getting the best in performance and quality.

**COOPER** Notification
